Do you think
your child may have
emerging
additional needs?

The Norfolk School and Community Team are holding regular Engagement Meetings at our schools where you can come and pick their brains! Our Executive Deputy for SEND, Jenni Porter, will also be there. Each session will be for an individual parent or family and will last for up to 45 minutes. All of our families are welcome at any of our schools for these meetings, so don't think you have to wait until they are at your child's school. The timetable for the year is below—please request an appointment via your own school office or SENCO.
