Hainford Newsletter

One more step along the way...

This morning, we held our year 6 leaver's assembly at All Saints church. As I said in my speech earlier, this is the biggest year 6 yet to leave and saying goodbye to all 17 will mean that there will be a very different feel to Hainford come September.

No doubt they will be missed. There are many big personalities and they all have excelled in different areas of the curriculum whether it's been, music, sport, computing, fund raising etc. Looking forward, staff are excited to see which paths they take over the coming years.

It's not just the children we'll be saying goodbye to but many of our families, one of which has had a link with the school over many years perhaps even up to 20 years. We wish you all good luck and all the best.

Once again I would like to thank all of the staff and volunteers who have worked so hard over the year to support and provide enriching opportunities and events for our pupils. Enjoy the summer break!

Staffing

We are also saying goodbye, though not farewell, to Carol who will be retiring after many years of fantastic service to the school. Carol has cleaned and worked in our kitchen for several years and working in our sister school Frettenham. We would like to say thank you for all of Carol's extra work.

Sports Day 2024

After two postponements due to the bad weather, we were finally able to hold this year's Sports Day on Wednesday. Despite limited practice for some events, I felt that this was another successful event. I was particularly impressed with class one who took part in all the events with a great big smile on their faces. Thank you to all who supported the event.

Congratulations to everyone who was able to take part and to **Blue** team for winning this year.
