Dear Parents/Carers

Newsletter, 28 June 2024

Today Microsoft Sway is having a technical glitch and so we are bringing you an “old style” newsletter!

I hope you enjoyed our Sports Day if you were able to attend. It was lovely to see so many of you and I know the children really appreciated your support. All the staff commented on what a great atmosphere it was throughout.

On the subject of Sport, we took a Harnser athletic team to The UEA Sports park on Tuesday to race against over 15 other Norwich Schools. Our team is made up of children from Hainford and St Faiths’ as well so takes some organising to arrange with events like relays. It is a great experience for the children to be able to run on a proper athletics track and hopefully gives them confidence and encourages the, to look for further opportunities outside of school too. A special mention must go to Jamie in Year 6, who qualified for the 200m final yesterday, which is a great achievement and also to Darcie in Year 6 who won the Year 6 Girls throwing event.
